2. **WHERE CAN WEAPONS BE SECURED WHEN NOT BEING CARRIED ON CAMPUS BY PERMIT HOLDER?** The gun owner’s vehicle. Georgia Piedmont will not provide weapons storage facilities.

5. **WHAT IS PENALTY FOR VIOLATION?** See OGCA 16-11-127.1. If the violator has a valid carry license, on first offense, the penalty is a misdemeanor and a $25 fine. If the violator does not have a carry license the charge is a felony.

13. **What happens when high school (or younger) students are on tours of the campus or in hallways or break areas?** Common areas where these students may be present are not covered. The law only applies to areas in current use for instruction of students who are dual enrollment or MOWR or high school students.

14. **Will the college provide firearm safety training?** It is the responsibility of the gun owner to assure that they have completed safety training on proper loading, use and carry (including concealed carry) of a firearm.
